

## Foley Hoag and Lex Mundi Publish Global Competition Law Report

Written by Austin A.B. Ownbey, Lisa C. Wood

April 21, 2020

Foley Hoag is pleased to announce, in conjunction with Lex Mundi, the release of the inaugural edition of the Lex Mundi Global Competition Law Report. Drawing on the expertise of Foley Hoag and more than 20 other contributing Lex Mundi member law firms from around the world, this report has been created to provide thoughtful insight and analysis on global competition law trends and developments. It brings together advice from members on-the-ground to provide an understanding of several key current issues including:

- Vertical Merger Trends
- Cartels
- Labor & Employment and Competition Law
- Digitization and Competition Law

As businesses navigate forward during (and after) this uncharted COVID-19 pandemic, this inaugural edition of the publication provides valuable and practical guidance, and demonstrates the global reach of Foley Hoag together with its Lex Mundi colleagues.
